

## PRAYER RE: JAMAICA BUGGERY LAW

### The Court Case:

1. Lord, give those organizing strategy in this matter, Your wisdom, and a spirit of obedience to carry it out according to Your instructions and commands.
2. Lord, please select the judges who sit to hear the case. Let them be just men and women who will rule according to truth.
3. Lord, please give us favour with the Court so that we will be allowed to intervene and speak to the Court on the matter.
4. Father, let the mind of Christ rule in the Jamaican Supreme Court, the Court of Appeal, and the Privy Council, Jamaica's final court of appeal. Lord, intervene and let no reprobate mind or futility of thinking succeed in the name of Jesus.
5. Lord, unveil in the eyes of the judges in every court and in the country every deception and lie of the enemy with respect to 1) the legal arguments 2) the dangers of the homosexual lifestyle.
6. Lord, let all three judges in the Supreme Court find in favour of the truth. We ask specifically that the following be the rulings:
  - That the buggery law is not unconstitutional
  - That the buggery law will remain in Jamaica
  - That the law of Jamaica is based on Christian principles
  - That the people of Jamaica, not the judges, should determine whether buggery remains illegal in Jamaica
7. Lord, if this matter is appealed, let all three of the judges in the Court of Appeal, and all five judges in the Privy Council find in favour of the truth and uphold the buggery law. Let them find that:
  - That the supreme Court of Jamaica is best placed to decide what is in the interest of Jamaica on this issue
  - That the buggery law is not unconstitutional
  - That the buggery law will remain in Jamaica
  - That the law of Jamaica is based on Christian principles
  - That the people of Jamaica, not the judges, should determine whether buggery remains illegal in Jamaica
8. Lord, call Christian lawyers to work in this matter. Empower, equip and protect them. Be with them in the fire of every persecution.
9. Lord, please let everyone who works on this matter be humble in spirit and pure in heart. Please revitalize their spiritual lives and cause them to walk in purity with You so that the enemy will have no opportunity to slander the cause and no entrance into the camp.
10. Lord, please surround the spirits, jobs, families, churches, lives and properties of those working on this matter with Your fire and Your protection so that the enemy will not destroy anyone's walk with You, body, calling, or property.
11. Lord, let everyone who works on this matter walk in Your wisdom and love. Give us the grace to love our enemies, do good to those who hurt us and bless those who speak evil of us, in the name of Jesus. (Matthew 5:44).

12. Lord, please provide the money and all the resources necessary to conduct this court case to its end.
13. Lord, please provide qualified, respected, recognized expert witnesses to testify in this matter.
14. Lord, please move the Government of Jamaica to respond to the lawsuit and defend the law. Let your Spirit rise up in your people in government in positions of authority. Please cause Your people in positions of authority to rise up and stand for Your word concerning homosexuality.
15. Lord, please bring the activists out of the kingdom of darkness into the kingdom of Your Son, and deliver them from deception and homosexuality. Save them, Lord, in the name of Jesus. In particular we pray for the salvation, healing and deliverance of:
  - \*Javed Jaghai (activist)
  - \*Maurice Tomlinson (activist)
  - \*Tom Decker
  - \*Dane Lewis (activist)
  - \*Anika Gray (attorney-at-law for the activists)
  - \*Nancy Anderson
  - \*Members of J-FLAG (Jamaica Forum for Lesbians All Sexuals and Gays)
  - \*Members of AIDS-Free World
16. Lord, please cause any satanic prayer in this matter not to be answered, even as on Mount Carmel You did not allow any fire to fall on the altar of a false god.

### **Jamaica**

17. Lord, please unite the heart of Your Church to Your Word on this issue. Let Your Church in Jamaica be of one mind, speak the same thing and contend as one man standing for the gospel of Christ. Father God, give us Your spirit of wisdom and revelation so that we all reach unity in the faith and in the knowledge of God in this issue.
18. Lord, please give us truth in the inward parts. Cause Your Church to repent of sexual immorality. Let a spirit of repentance fall upon the Jamaican Church, Lord, in the name of Jesus, that we would seek your face and turn from our wicked ways so that You can heal our land.
19. Lord, we thank You that the gates of hell will not prevail against Your Church in Jamaica.
20. Arise, God and let Your enemies be scattered. Contend with those that contend with Your Church.
21. Lord, Your word says that those who love the Lord should hate what is evil. You said that love should be sincere, and that we should hate what is evil and cling to what is good. Cause us to feel what You feel and see what You see about homosexuality. Cause us to hate sin with righteous hatred but love the sinner with Your love.
22. Lord, give Your Church in Jamaica the mandate, power, authority and love to deliver and heal victims of homosexuality.
23. Lord, re-form gender identities in Jamaica in the image of male and female as You created them.
24. Lord, please, father the fatherless youth in Jamaica and heal those who have been sexually abused.
25. Lord, restore father and mother to their God-given roles in Jamaican families. Heal the broken, Lord and let the next generation grow up in the fear of th Lord.

26. Lord please heal Jamaica's economy. Restore stolen things to us, Lord. Release the riches that are deposited within Jamaica so that Jamaica will no longer be dependent on foreign aid and loan.

### **Public Education Campaign**

27. Lord, protect our schools' curriculum from the LGBT agenda. Anoint and send teachers and principals and policymakers into this field who can take back our schools for You.
28. Lord, cause the Jamaican public to become aware of this lawsuit and to stand up for what is right, without violence but with determination.
29. Lord, open the minds and eyes of Jamaicans of all classes, races, denominations, professions to see the truth of this issue. Let there be unity on this matter in the name of Jesus.
30. Lord, enforce the strategies and policies of Heaven over and above the strategies and policies of every high thing of darkness operating in our culture in the name of Jesus. Let our culture become full of salt and light in the name of Jesus. Let our music, dance, dress speech, way of thinking and way of life come into conformity with Your will and design for Jamaica in the name of Jesus.

### **Media**

31. Lord, let Your truth about homosexuality be released in the local and international media, in the name of Jesus. Let the consequences and effects of this lifestyle, on the persons and on the society, become clear. Open the eyes of the people so that they can perceive it.
32. Lord, demolish and destroy every lie of the enemy in the media in this matter.
33. Lord, please cut every unhealthy linkage between funding and reporting that twists and hides the truth and promote lies about homosexuality.
34. Lord call forth radio hosts, journalists and reporters who will speak the truth in this matter, investigate it thoroughly and report it fairly. Remove media prejudices against those who have been working in the matter in the name of Jesus. Let their voices be heard on television, in the radio and in the print media.
35. Lord, let international media speak the truth about Jamaica's attitude toward homosexuality.

### **National Anthem of Jamaica**

Jamaica's national anthem is a prayer. We invite you to say it with us as a prayer to God over our nation.

Eternal Father bless our land  
Guard us with Your mighty hand  
Keep us free from evil powers  
Be our light through countless hours  
To our leaders, Great Defenders  
Grant true wisdom from above  
Justice, truth be ours forever  
Jamaica land we love

Teach us true respect for all  
Stir response to duty's call  
Strengthen us the weak to cherish  
Give us vision lest we perish  
Knowledge send us, heavenly Father

Grant true wisdom from above  
Justice, truth be ours forever  
Jamaica land we love
