

# Prayer- The Jamaican Declaration 2016

Adopted from 'The Decree' by Pastor Al Miller

In the authority of the Name of Jesus Christ Our Lord, the following decree is made over our Nation, Jamaica.

1. We decree that Jamaica shall be a Kingdom nation, a nation whose God is the Lord: guided by the principles of the Word of The Almighty God, which will make her great – because righteousness exalts a nation. (Proverbs 14:34)
2. We decree that Jamaica will be transformed:
  - a. From violence, garrison communities, lewdness, division and tribalism, drug use and trafficking, to peace, God fearing united communities, law-biding productive citizens.
  - b. The bark of the guns will be freely exchanged for the sound of praise to God and laughter of brothers.
  - c. The spirit of community, volunteerism, and strong family life will be restored.
  - d. Effective governance shall increase at all levels in our land.
1. We decree that Jamaica will be a society where law and order is the standard way of life in government, in our churches, in our communities, and in our homes. A land where the environment is God-fearing and families thrive, now and for future generations.
2. We decree that Jamaica will be a nation with a sense of Godly wisdom and purpose, hope and dignity.
3. We decree that Jamaica will be a nation that increases her values to provide employment for its citizens, along with the highest quality of education and health care for all.
4. We decree that Jamaica will be a brand that will rise up to mean love, quality, excellence, under the leadership of the omnipotent God.
5. We decree that Jamaica will be a nation numbered with the most favored and favorite nations to visit and to be identified with.
6. We decree that Jamaica will teach the world the principles of national transformation, to inspire hope and the possibility of what a great nation can become whose God is the Lord.
7. We decree that Jamaica will be the mecca for a new sound of gospel music and rhythm creation that exclusively glorifies the Almighty God.
8. We decree that Jamaica will be a place where our inner cities flourish with creativity, skills, beauty, and hope.
9. We decree that Jamaica will be a nation where renewal and revival will change hearts and restore righteous values and good governance. Holy revival will break forth like a wind driven fire and flow like a river across the land.
10. We declare that Jamaica will be a peaceful, righteous, industrious, and prosperous nation. That everlasting joy will be on the heads of the people this nation.

11. We decree that Jamaica will be fruitful and bring forth abundant increase and wealth. We shall repay all our debts, lend to other nations and not borrow.
12. We decree that Jamaica will be a center for international trade, communication, and financial support.
13. We decree that Jamaica will be a leader in scientific discoveries, and breakthroughs. Our minerals and natural resources shall serve our people culturally, financially, and socially, and will not be robbed or stolen.
14. We decree that Jamaica will be a nation where crime, violence, and poverty are no longer heard in our land; instead, justice, truth, and righteousness shall reign.
15. We decree that Jamaica will continually increase in beauty, fellowship, and prosperity, and play her part in advancing the well-fare of the whole human race.
16. We decree that Jamaica will be a nation of people whom the Lord God Almighty trusts with His power and His Word, to protect and preserve it and use it only for His glory.
17. We decree that Jamaica will be a nation and a people who fully understands and honours the sacrifice of the blood of Jesus Christ. A people who fulfils the covenant of God through Jesus Christ
18. We decree that Jamaica will be the land chosen by the Almighty God to pour out His end-time glory in the earth:
  - ... That men everywhere will know there is a God that rules in the affairs of men,
  - ...that the truth of God will be established throughout the whole earth,
  - ...that the power of the Almighty God will have free course in a nation.

The Hand of the Lord will perform it. Amen.
